# REBUILDING WORLDS OF KNOWLEDGE

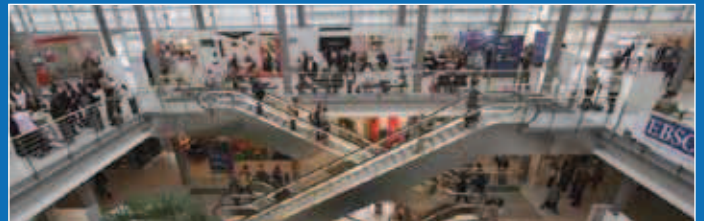

5. Kongress Bibliothek & Information Deutschland Leipzig 2013  
TURKEY - Guest Nation 2013

## Exhibition

Look forward to this major event for the library and information sector. Present your products and your company at the business exhibition at the 5<sup>th</sup> Library & Information Conference in Leipzig from 11 to 13 March 2013.

Organised by the Bundesvereinigung Bibliothek & Information Deutschland (BID), the conference expects to welcome around 3,000 librarians and information specialists. The Congress Center Leipzig will once again house conference events and exhibitor stands under one roof at the Leipzig exhibition centre site.

The business exhibition of 2010 saw 140 exhibitors from 13 countries present products and services relating to the library and information sector on a floor space of around 2,000 m<sup>2</sup>. In addition to the extensive conference programme, participants will also be able to use the approximately 30 corporate presentations of the exhibitors to obtain information about projects and new developments. Detailed information and registration documents for exhibitors will be available here shortly.
